Re: Notice of File Closure for Small Mining Activities, Red Nuggett, S/001/025, Beaver County, Utah

Dear Mr. Powell:

This letter is to notify you that file #S/001/025, for the Red Nuggett project, located in Beaver County, Utah, will be retired from our files.

On November 15, 1994, the BLM inspected the project and found the site falls under casual use which does not require a mining notice. The Division of Oil, Gas and Mining rules do not require the filing of an exploration or mining notice of intent unless mechanized equipment is used. Therefore, as this project is on BLM managed lands, the Division will accept the BLM's recommendation to close out this project file.

If there are any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
